3. Full-Year Forecast

Full-year earnings forecast of FY March 2027

As for the full-year forecast, although the number of new members of sports clubs is weakening, we expect an increase in membership fee revenue due to price revisions in October 2026 and further cost improvements. We have revised up the sales, operating income and ordinary income as follows.
Net income attributable to owners of the parent is unchanged due to the possibility of losses arising from the closure of some facilities.

4. Progress of Medium-Term Management Plan

2026-2030 Medium-Term Management Plan Policy

In the Medium-Term Management Plan announced in May 2026, each of the 5 years is positioned as shown in the table below.

FY 2025

- Rationalization of assets through impairment of unprofitable facilities and decision to close

FY 2026 – 2027
[Phase (1)]

- Careful selection of business investments
- Reduction of interest-bearing liabilities
- Response to application of new lease accounting
- Reform of income and expenditure structure of sports club business
- Operational reform and efficiency improvement at headquarters

FY 2028 – 2030
Phase (2)

- Investing in Renewed Growth
- Proactive Return to Shareholders

Progress in Initiatives for the Interim Period of FY March 2027

Progress in Results	● In the interim period under review, both net sales and profit at each stage exceeded plans and progressed steadily.
Careful selection of business investments	● Review overall investment decision-making process and start operating new deliberation system ● Prioritize safe investments and limit growth investments to those in line with business portfolio strategy ● Promote review of future investment resource allocation, including liquidation of unprofitable facilities
Reduction of interest-bearing liabilities	● Policy to prioritize allocation of excess cash generated due to upside performance to reduction of interest-bearing debt
Response to application of new lease accounting	● Closer examination of financial impact and improvement of management system toward adoption of new lease accounting in fiscal 2027
Reform of income and expenditure structure of Sports club business	● Steadily implement closure of unprofitable facilities in accordance with plan to improve profitability ● Optimize personnel structure and allocation at stores and business divisions
Operational reform and efficiency improvement at headquarters	● Promote organizational and operational efficiency to return to cost levels prior to the integration of Sports Oasis
